

MOTTS - ASPERS PLANT
ASPERS, PENNSYLVANIA

Motts - Aspers Plant of Aspers, Pennsylvania manufactures apple juice, apple sauce, and packages other fruit juices and drinks. It is part of the Cadbury Schweppes corporation. It was certified to ISO 14001 in November 1998.

ENVIRONMENTAL PERFORMANCE

Past Accomplishments

Motts - Aspers has demonstrated its commitment to environmental performance in the areas of reduced energy use and reduced solid waste. Since 1997, the facility has:

- **Reduced solid waste** by 10% through implementing a recycling program and making process efficiency improvements.
- **Reduced water use** by 12% per cubic meter of product through surveying water use at the site and implementing engineering controls in high use areas, such as cooling towers and radiators.

Future Commitments

Motts - Aspers also committed to continued environmental improvement through reducing energy use, water use, solid waste, and VOC emissions. By 2003, the facility will:

- **Reduce energy use** by 2% through improved monitoring and controls.
- **Reduce water use** by 11% through continued implementation of the water conservation program.
- **Reduce solid waste** by 7.6% through improving raw material yields.
- **Reduce vulnerability for release** by removing asbestos from facility buildings.

COMMUNITY OUTREACH

Motts - Aspers is located in a very small community of 98 residents. All community concerns are handled on an individual basis by the facility's environmental manager. The facility also holds public meetings and open houses.

AT A GLANCE

Industry Sector:	SIC 2033
Business:	Manufactures apple juice, sauce, and packages other fruit drinks.
Facility Employees:	100 - 499
Accomplishments:	Reduced solid waste Reduced water use
2003 Commitments:	Reduce energy use Reduce water use Reduce solid waste Reduce energy use
Address:	45 Aspers-North Road
